

# GEOGRAPHY: YEAR 1 MAPS

## Key Vocabulary

Aerial view	A view from above.
Floor plans	The layout of rooms on one floor of a building.
Grounds	Features of land that have been impacted by human activity.
Human Geography	Features of land that that have been impacted by humans
Physical geography	Natural features of land
Route	From one place to another
Key	A simple code used to identify features on a map.

## Objectives

- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.
- Use simple compass directions (North, South, East and West) and locational and directional language [for example near and far; left and right] to describe the location of features and routes on a map
- Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map and use and construct basic symbols in a key
