

Snuggle up with a book!

Snuggle up and share a bedtime story with hot chocolate, a biscuit and a furry friend!

Here at High Meadow Community School, we believe that giving children a love of books is one of the greatest gifts.

Research has shown that...

"Reading a regular bedtime story to children is a simple activity that encourages children to enjoy reading and gets them into good reading habits that will set them up for the future."

"When parents encourage their children to read at home, it can make a big difference to their wellbeing and how successful they are at school, and beyond. It will help boost your child's sense of wellbeing, bring you closer together, and add another warm and nurturing experience to family life."

Once you have shared the book together, it would be lovely if you could add photographs, write a short review or comment about it. If you have any other recommendations please let us know!

Please return the suitcase, reading book, notebook and cuddly toy before next Friday so it can be enjoyed by another member of the class.

(We will provide the hot chocolate and biscuits!!)
