What have Nursery Wrens and Reception Robins been doing this week?

Our wonderful Robins and Wrens have been working hard at home all week and some of them were even featured on BBC Breakfast wishing Colonel Tom Moore a happy birthday.

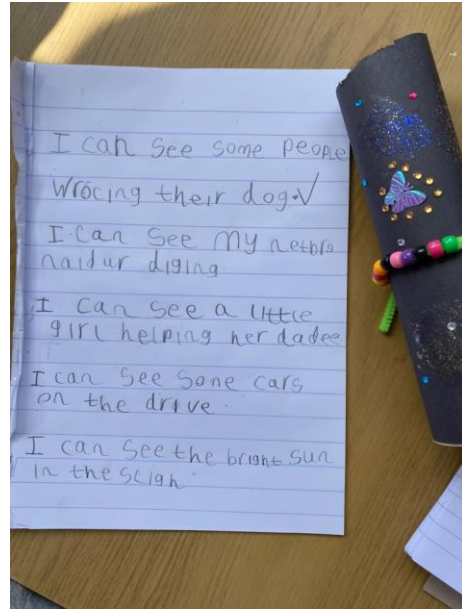

The kiss from Coral at the end was my favourite part. The full video can be viewed here:

The Night Pirates by Peter Harris was our focus this week. Just look at some of the amazing work that our children have produced:

We created telescopes and decorated them with repeated patterns.

The children re-enacted walking the plank to explore floating and sinking.

Our Wrens have worked hard on letter formation this week whilst our Robins have been writing sentences independently, WOW!

It has been a pleasure working with you this week Robins and Wrens, well done!

Mrs Windridge 😊
