

22/5/20

What have Nursery Wrens and Reception Robins been doing this week?

This week EYFS learning has been based around the story Superworm by Julia Donaldson.

After listening to Mrs Windridge read Superworm our Reception children created their own 'super' characters.

22/5/20

Putting their own super skills to the test, each child made their own wormery.

Do you know the conditions an earthworm needs to be safe and happy? Ask an EYFS child if not!

They have ten
harts.
They lay eggs
from the sadul.

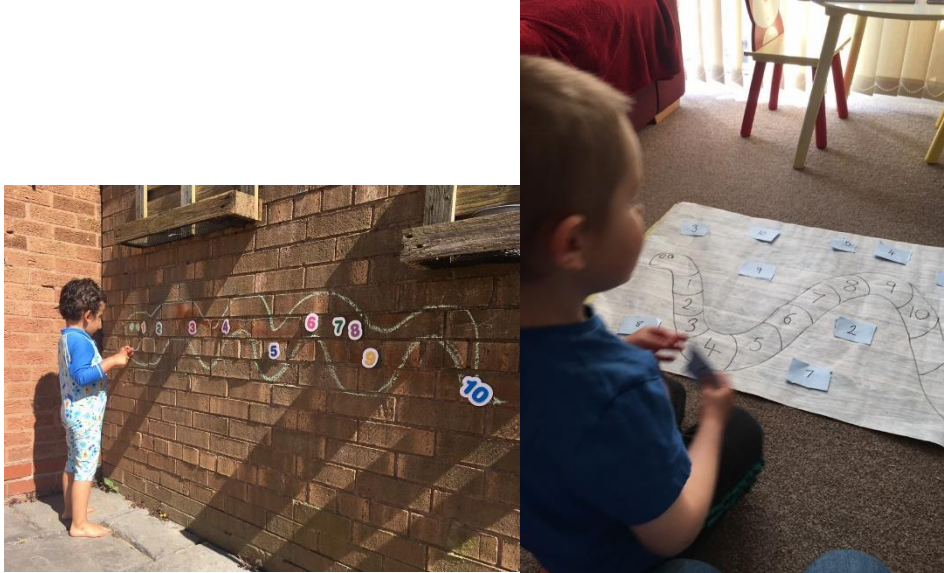

They have no
bones.

They are
long.

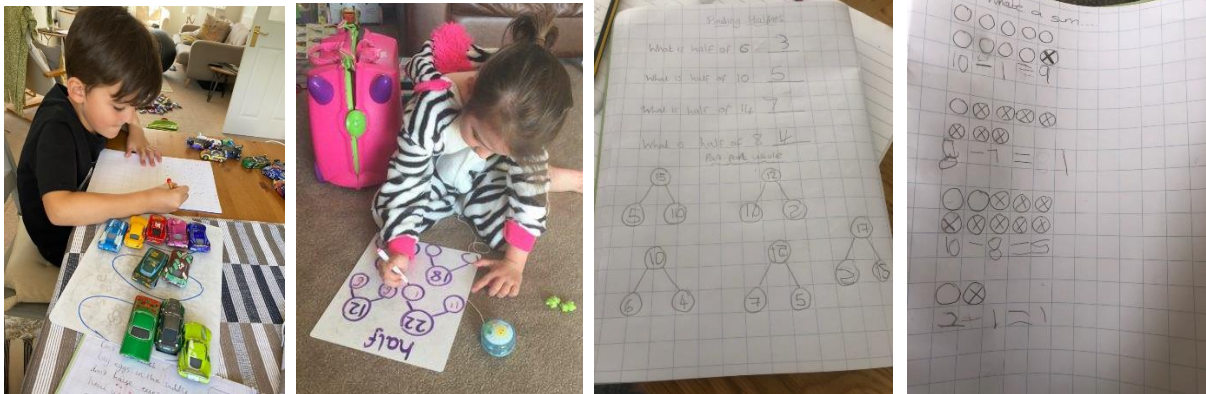

Reception Robins researched earthworms and wrote sentences to share facts with their friends.

22/5/20

Our Nursery Wrens have been focusing on writing numbers 1 - 10 on Superworm whilst our Reception Robins have continued to solve problems using the concrete, pictorial, abstract model.

Thank you so much for your hard work this week Robins and Wrens. Have a lovely half term, stay safe!

Mrs Windridge ☺
