

We have had a busy week of learning in Year 3 this week!

We have been looking at time in maths- We know the meaning of am and pm and we can tell the time on a clock using Roman Numerals!

In English we have used George's Marvellous Medicine to practise expanded noun phrases and commas. We have been inspired by the dragons in Harry Potter to use inference. We have also been using dictionary skills to find the meaning of tricky vocabulary. Our SPaG skills have been determiners and word families.

Our topic focus this week has been Rainforests. In geography we identified the equator, we have located on a world map the countries that are home to Tropical Rainforests. We have learnt about the layers of the rainforest and which animals live there! Inspired by rainforests we then used observational skills to practise drawing in art. We have learnt about Ramadan for RE and created our own Islamic art patterns.

In PE we have worked on our balance and skipping skills.
