

Our High Meadow Community 'Thought for the Week'

@ Charlie Mackesy

Thank you, thank you, thank you!

A HUGE thank you to everyone who has sent in thank you cards, gifts and messages of support. We have been completely overwhelmed by your kindness and generosity. We are felling so blessed to be supported by such a kind and compassionate school community and want to thank every single one of you for the amazing work you have all been doing during lockdown. In the autumn term we will be creating a piece of artwork that will include EVERY single message of thanks and kindness from you all; it will be a positive memory of how together, we have risen and flourished in this time of adversity. Thank you, thank you, thank you 😊

### Getting Ready for September Return

### Head Boy and Head Girl

As the school year comes to an end, we would like to take this opportunity to give a very special thank you to our Head Boy – Dylan Boffey and Head Girl – Zofia Laczny. Over this year Dylan and Zofia have displayed every single one of our Learning Powers and have been wonderful role models to all of the children at High Meadow. T

hey have been **kind** when supporting the younger children at lunch-time and welcoming visitors into our school. They have been **ambitious** and **creative** in our School Council meetings, deciding on ways we can improve our school. Dylan and Zofia along with the rest of School Council, created and ran lunchtime clubs throughout the year. They have helped to run several fundraising events this year too. We are incredibly proud of Dylan and Zofia, and will definitely be calling on them to support our new Head Boy and Head Girl in September! Well done, we are so proud of you both!

## Digital Summer Reading Challenge and first ever 'Reading Together Day' come to Warwickshire!

July 14, 2020

Warwickshire Libraries are once again running the national Summer Reading Challenge initiative to keep children reading over the summer.

For over 20 years, the Summer Reading Challenge has been encouraging children aged 4 to 11 to enjoy the benefits of

reading for pleasure over the summer holidays, providing lots of fun as well as preventing the summer reading 'dip'.

This year, the Summer Reading Challenge is primarily in a new digital format with the theme of 'Silly Squad', to celebrate funny books, happiness and laughter.

And so another academic year comes to an end, not in the way any of us had planned in September 2019 but it is with pride and admiration that I look back at the last four months! Thank you all again for being so amazing in supporting your child's home learning.

I'd also like to take this opportunity to thank all of my staff team here at High Meadow. Every single one of them has risen to new challenges that have come our way during lock down and every single one of them has SHONE! I am so lucky to lead such a wonderful team of highly committed, kind and passionate people. Thank you Team High Meadow x

Thank you too to my wonderful school governors; they have been a real source of strength during these challenging times. A special shout out to our Chair, Jonathan Smith who has continually popped into school (socially distanced of course) to support everyone as well as offering some extra muscle during the physical moving of furniture!

And finally, although school in September WILL still be different, the beating heart of kindness and love WILL still shine through. Our staff are committed to you and your children and we will do everything we possibly can to wrap each and every child with tenderness and hope. The autumn term MAY present us with new challenges (another spike!!) but we will all pull together as a community again, I have total faith in us all. Thank you.

I hope you all have chance to enjoy a sun filled, safe summer holiday,

Mrs Debby Hughes – Head teacher [head2569@welearn365.com](mailto:head2569@welearn365.com)
