Community School

INFORMATION ABOUT OUR GOVERNING BODY

High Meadow
Community School

Governors are local people, caring for the welfare of the children and bringing their interests and experience to support the school. Some of them are current or past parents (or grandparents) of children at our school. They are always happy to listen and talk about any matter related to the school and your children.

The Governing Body works closely with the Headteacher and the staff of the school. It meets once a term (or more often if required) to discuss and make decisions on a variety of matters such as the curriculum, the buildings and the finances. It is also responsible for the appointment of new staff.

The minutes of all Governors' meetings are available to parents on request.

You can contact any of the school governors via the school office admin2569@welearn365.com or governors2569@welearn365.com or telephone 01675 462312.
