### Accessibility and Equality Plan/Policy 2020

We believe this policy should be a working document that is fit for purpose, represents the school vision and aims, enables consistency and quality across the school and is related to the following legislation:

- Disability Discrimination Act 1995
- SEN and Disability Act 2001 (SENDA)
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)

We believe that we work hard to ensure that the culture and ethos of this school are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treat one another with respect. This school provides pupils with the opportunity to experience understand and value diversity.

In accordance with the planning duty in the Disability Discrimination Act 1995 and as amended by the SEN and Disability Act 2001 (SENDA) this policy and plan has been devised. It also draws on the guidance set out in "Accessing School: Planning to increase access to schools for disabled pupils" issued by the DFES in July 2002.

We believe disability is:

'A person has a disability if he or she has a physical or mental impairment and the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. This means that in general the person must have an impairment that is either physical or mental; the impairment must have adverse effects which are substantial; the substantial adverse effects must be long-term; and the long-term substantial adverse effects must be effects on normal day-to-day activities.' (Equality Act 2010)

We have a duty to promote equality of opportunity, eliminate unlawful discrimination, eliminate disability related harassment, promote positive attitudes towards disabled people and encourage disabled people to participate in school life.

We believe it is our duty to prepare and publish a disability equality scheme that will outline accessibility to the school premises and its facilities, accessibility to the curriculum, accessibility of educational services, provision of training for school personnel and pupils which result in improved outcomes for disabled pupils, parents/carers and school personnel in all aspects of school life.

We are proud of our ethos of support, collaboration and respect for one another. We strive to create a safe caring environment for all our pupils to experience success, happiness and excellence. All school users will benefit from the school's disability equality scheme as it will allow them to take full benefit of the opportunities that this school offers.

We are committed to providing a fully accessible environment which values and includes all pupils, school personnel, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

In response to an individual with a disability starting at High Meadow Community School, an Access Audit will be undertaken by the Headteacher and Sendco. An Accessibility Action Plan designed to increase the accessibility of provision for all pupils, staff and visitors to the school would then be created. At the date of writing this policy (January 2021) all areas of the school environment are accessible to all children, visitors, staff and parents.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

## Aim

To ensure that all school personnel with disabilities are treated fairly in regard to recruitment, performance management, promotion, staff development, teaching environment and access to the school premises.

To reduce and eliminate barriers to access the curriculum and to have full participation in the school community for pupils, prospective pupils and our adult users with a disability.

To ensure compliance with all relevant legislation connected to this policy.
