## Our School Uniform

At High Meadow Community School, we pride ourselves on our school uniform. We believe it reflects our high standards and helps us all feel like part of one, proud community. We value the identity that a smart, clean uniform projects and positively encourage all of our children to wear their High Meadow uniform with pride. We recognise that uniforms can be expensive so we encourage all families to purchase most items from their local supermarkets or clothing stores. We do however, encourage families to buy sweatshirts, cardigans, jumpers and blazers from our uniform supplier as they are required to have our school logo embroidered on to them. In key stage 2, the PE t shirt also needs to be ordered from our uniform supplier. If you have difficulties in paying for your child's school uniform, then please contact the school office on [admin2569@welearn365.com](mailto:admin2569@welearn365.com)
