Hot Chocolate Friday Winners!

A huge well done to the children below who have been nominated for this weeks Hot Chocolate Friday Awards. They have been chosen by their teachers for ALWAYS making the right and safe choice, not just for one day or one week but for EVERY day of the week, every day of the term, well done! They spent some time with me, sharing a hot chocolate in our special mugs, enjoying a packet of biscuits, being awarded a specially designed postcard and having a chat. Well done to Maya, Amelia, Sophie and George, we are all so proud of you 😊

Next Friday we are asking for donations of decorated jars.... please see below

Friday 9 th July	Decorate a jar using a 'Summer Theme' and fill it with something special such as sweets, chocolates, hair accessories, mini stationery etc

[Keeping Everyone Safe in School – A Gentle Reminder](#)

As you are all aware, we had to close the Year 3 class bubble this week after a positive COVID test. Positive cases of the new variant are increasing rapidly and we all need to

continue to be vigilant and careful. Warwickshire is a particular hotspot at the moment and the last thing I want is for more bubbles to close and the risk of a potential whole school closure! Please remind yourself of the following ...

COVID 19 symptoms in your child

Any child displaying symptoms of COVID19 must be sent home to be tested. As we are not medical professionals, it is difficult for us to determine whether a child has a cold or COVID symptoms so, to keep the whole school community safe we WILL call you and ask you to take your child to be tested if they show ANY ONE of the symptoms outlined on the NHS website.

These are ...

a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)

a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)

a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms. If your child is showing these symptoms at home, please do not send them into school.

If a child tests positive for COVID 19 then the **WHOLE** class bubble will need to self-isolate for 10 days. Please ensure you have emergency plans in place if this does happen. Remote teaching, will then take place and your child will be expected to engage in online learning for the whole period of isolation, unless they become too unwell to do so.
